## 2010-2011 Student Parent Handbook Agreement Form

The contents of the 2010-2011 Student Parent Handbook are to be accepted by the parents/guardians and students as essential parts of the contract between them and Justin-Siena High School. Violations of the spirit, intent, or letter of the philosophy and rules will be considered just cause for administrative action.

All students are expected to participate in the religious, social, and educational experiences of the school as directed by the Administration. Failure to participate in such activities or to conform to the directives of the school is a breach of the condition of membership in the school community. Students are required to respect the principles and values explicitly and implicitly conveyed by the Roman Catholic Church, legitimate civil authorities, and the duly appointed authorities of the school. Under no circumstances may a parent excuse a student from observance of the rules and policies of Justin-Siena High School if the parent expects the student to remain in good standing with the school.

By enrolling in Justin-Siena High School, all students give implicit permission and authorization to Justin-Siena to use any still photograph or motion film of themselves that is taken or is authorized by a Justin-Siena High School staff member for instructional or promotional purposes. By granting permission, students release any and all claims for damages for libel, slander, or invasion of privacy for the duration of their time as a student at Justin-Siena High School. School administration reserves the right to amend this handbook as needed; notification of such amendments will be made to parents and students in a timely manner.

We, the undersigned, have read the 2010-2011 Justin-Siena High School Student/Parent Handbook and agree to comply with all policies, regulations, and directives stated therein.
