JUSTIN-SIENA FOUNDATION
Lasting Support to Justin-Siena High School Since 1972

Justin-Siena's campus extends far beyond the bricks and mortar of the classroom. Today, learning exists in a *world-wide environment that was unknown and unforeseen just forty years ago when the school started.* By preparing our students to use increasingly sophisticated resources now and in the future, *we enable them to enhance their education and enrich their lives.*

You can help provide Justin-Siena students with the best learning environment possible; *one that includes state-of-the-art science equipment, newly renovated classrooms, extensive media center materials, and top-notch athletic facilities* – with a memorial or commemorative gift to the Foundation.

Memorial Gifts

Remembering the life of a deceased family member or friend with a memorial gift to Justin-Siena is a special way to create a legacy. Over the years, many alumni and other friends of the school have been remembered with memorial funds. The families of those memorialized by your gift will be notified of your kindness, while keeping the gift amount confidential. Memorial and commemorative gifts are also acknowledged in Justin-Siena's Quarterly Newsletter.

Commemorative Gifts

Honoring an individual or celebrating a special occasion with a commemorative gift is a unique way to express your recognition. Birthdays, anniversaries, or special milestones like graduations, are perfect occasions to mark with a commemorative gift. Increasingly, many businesses are making charitable contributions on behalf of their clients and customers as a way of saying thanks.

Senior Class Endowment

Each year, a Senior Class Endowment is established to recognize the graduates of that class. Families of graduating seniors are notified each spring of this giving opportunity. A donation to the Senior Class Endowment is an excellent opportunity to acknowledge those students' achievements, while ensuring an affordable education for future students.
